School at a Glance

Off to a Great Start

We've had a great first three days of school. We have been getting to know each other through activities and as students share their items from home. Students also painted pictures and wrote about their special talents. What a wonderful group of first graders. We're going to have a great year!

Reminders

Please send in the following if you haven't already done so:

- Headphones
- School supplies
- Students information

Snacks

Please send a snack with your child each day. We eat lunch at 11:10 and first graders can really work up an appetite before then! If there is a specific treat/snack that you would prefer your child not have for special events, please send in a note and let us know.

Picture Day

Fall pictures will be taken Wednesday, August 19th.

Snack and Treats

Parents often ask if they can provide extra snacks for students who forget theirs and/or send in birthday treats. The answer to both is YES!! Corporation policy is all food must be store bought and have an ingredient label. Good snacks are crackers and pretzels. Please do not send in anything with peanuts or made in a factory with peanuts.

Special Classes Schedule

Special classes are from 1:30-2:10 with guidance being in the morning.
