School at a Glance

Home Practice

Every Friday your child will be given a Home Practice Packet. This packet will have math, reading, and word study practice activities. Please check your child's folder for this week's packet. Completed and signed packets need to be returned to school the following Friday.

Counting

First graders need to be able to count and write numbers from 1 to 120. We are focusing on 1 to 40 at this time. Please work on this at home. Students can count beans, paper plates, rubber bands, paper clips...any items you have around the house will work.

Snacks

Please send a healthy snack with your child each day. We have a short snack break at 9:20a.m. Some healthy ideas are fruits, vegetables, popcorn, and yogurt.

Learning Lab

This year in place of World Language there will be two online literacy based learning systems, MyON and Moby Max. Students will go to the computer labs and use these programs to improve reading skills. Watch for more information coming soon!
